Article 13 - LIMITATION OF ACTIONS ARISING OUT OF THE INSURANCE POLICY The provisions relating to the limitation of actions arising out of the insurance policy are set out in Articles L. 114-1 to L. 114-3 of the [French] Insurance Code reproduced below:

Article L. 114-1 of the [French] Insurance Code: All legal actions arising from an insurance contract shall be barred two years as from the event that gave rise thereto. However, said time limit shall run: 1) in the event of non-disclosure, omission, fraudulent representation or misrepresentation of the risk incurred, only as from the date on which the insurer is aware thereof, 2) in the event of loss, only as from the date the concerned parties are aware thereof, if they prove that they were unaware of such facts up till then. When the insured's action against the insurer arises from a third party's recourse, the limitation period shall run only from the date on which said third party brings a legal action against the insured or the latter has paid it compensation. The limitation period shall be increased to ten years for life insurance contract when the beneficiary is not the policyholder and in insurance contracts covering personal injury when the beneficiaries are the deceased insured's assigns. For life insurance contracts, notwithstanding the provisions in 2), the actions of the beneficiary are limited to no later than 30 years after the death of the insured party.

Article L. 114-2 of the [French] Insurance Code: The limitation period shall be interrupted by one of the ordinary causes that interrupt the limitation period and by the appointment of experts following a loss. The limitation period of the legal action may also be interrupted by the insurer sending the insured a registered letter with acknowledgement of receipt in respect of the action for payment of the premium and by the insured to the insurer in respect of the settlement of the claim.

Article L. 114-3 of the [French] Insurance Code: By way of derogation from Article 2254 of the [French] Civil Code, the parties to the insurance contract cannot, even by mutual agreement, change the length of the limitation period, or add to the causes for suspending or interrupting such period.

Additional information: The ordinary causes of interruption of the limitation period referred to in Article L. 114-2 of the [French] Insurance Code are set out in Articles 2240 to 2246 of the [French] Civil Code reproduced below. To find out about any updates to the above-mentioned provisions, please consult the official website www.legifrance.gouv.fr.

Article 2240 of the [French] Civil Code: Prescription is interrupted where the debtor acknowledges the right of the person against whom he was prescribing.

Article 2241 of the [French] Civil Code: A service of process, even for interim relief, interrupts prescription, as well as the periods within which an action must be brought. The same applies when the matter is brought before an incompetent jurisdiction, or when referral to the said court is nullified due to procedural irregularity.

Article 2242 of the [French] Civil Code: Interruption resulting from instigating legal proceedings is effective until the proceedings end.

Article 2243 of the [French] Civil Code: The interruption is null and void if the petitioner withdraws the petition or lets the proceedings lapse, or if the petition is finally dismissed.

Article 2244 of the [French] Civil Code: The limitation period or time limit is also interrupted by protective measures being taken pursuant to the [French] Code of Civil Enforcement Procedures, or by an enforcement being ordered.

Article 2245 of the [French] Civil Code: One of the jointly and severally liable debtors being summoned through legal proceedings or through an enforcement order, or recognition by the debtor of the right of the person against whom the debtor could claim interrupts the limitation period against all the others, even against their heirs. On the other hand, one of the heirs of a jointly and severally liable debtor being summoned, or recognition of the heir's right does not interrupt the limitation period with regard to the other co-heirs, even for mortgaged debt, if the obligation is divisible. Such summons or such recognition interrupts the limitation period with regard to the other co-debtors only for the share for which that heir is liable. In order to interrupt the limitation period for the entire debt with regard to the other co-debtors, the summons needs to be made to all the heirs of the deceased debtor, or recognition of all the heirs' right.

Article 2246 of the [French] Civil Code: A summons made to the main debtor, or their recognition interrupts the limitation period against the guarantor.

Article 14 - COMPETENCE OF THE COURTS Any dispute between the Policyholder and the Insurer concerning the applicability of this policy shall be subject solely to French legislation and referred solely to the French courts.
